

A **smarter way** to manage your laundry

No budget? No problem!
Receive brand new laundry equipment
with Zero up front capital

Introducing PLUS. A revolutionary way to upgrade your laundry room with brand new Electrolux or Wascomat commercial laundry equipment. Equipment benefits include:

- Superior wash results
- longer linen life
- use up to 50% less water and energy
- increase productivity
- eliminate user error

Ready to get started? Speak to a PLUS specialist about upgrading your inefficient or broken equipment. We take care of everything else. **Yes, it's that simple.**

WHAT ARE THE BENEFITS?

- Zero capital investment
- No long-term lease or contract
- Lifetime replacement parts and service
- FREE shipping and professional installation

HOW MUCH DOES IT COST?

Here's an example of the monthly cost: Install (1) 60 lb. High Spin Electrolux Professional washer and (1) 67 lb. dryer — you pay only \$393/month. No installation or delivery fees — and no money upfront. Included in the monthly fee are 60 cycles "free of charge." Additional wash cycles are only \$0.18/cycle. Dryers are unlimited usage per month.

WHAT IS THE TERM?

- 3 years
