

Electrolux 220-300 G-force Washers

X-Series Solid-Mount, Extra Spin for Coin/Card

Heavy-duty, built to last, and saves up to 50% on water – automatically.

Electrolux Professional 220-300 G-Force high-speed extraction, solid-mount washers minimize drying time and provide significant electrical and gas savings. Self-service laundries benefit from faster throughput (freeing up dryers, folding tables and parking spots) which creates higher profits. Your customers can even receive a text message (option) notifying them when their wash is done and ready for unloading! Increase your profits and create customers for life with the unique features of Electrolux Professional washers. Electrolux X-Series washers are built to take the abuse of a demanding coin laundry environment and to provide years and years of trouble-free operation.

FEATURES AND BENEFITS:

- AS (Automatic Savings) - saves up to 50% on water. With every wash cycle, AS determines the actual weight of the load and adds precisely the right amount of water significantly reducing water consumption and energy costs (available on 65 & 80 lb. models only)
- Extremely low water and energy consumption
- Convenient four compartment detergent box
- Large, secure coin box
- 220-300 G-force extraction removes more water, saving energy & time in dryer
- Heavy-duty construction with robust steel door and lock, hinges set wide apart
- Stainless and galvanized steel in all vital parts for maximum rust protection
- SuperBalance guarantees the correct extraction force, longer machine life – on 65 lbs only
- Power Balance ensures the correct extraction and maximum savings in drying time. Minimizes stress on machines for trouble free operation – on 80 lbs and up
- Sanitizing Rinse for greater customer satisfaction and additional revenue
- **Options:** Text Messaging, Voice Guidance, and LaundryPulse

COMPASS PRO MICROPROCESSOR OFFERS:

- Easy to customize programs
- Large display and one control knob for easy program selection
- More than 20 languages available – displays two languages, simultaneously
- Real time clock for time of day pricing, happy hour pricing and promotions
- Heavy Soil and Extra Rinse option buttons for higher customer satisfaction and increased revenue
- Detailed user statistics and programmability

Available in 65, 80, and 135 lb. capacities.
The 135 lb model does NOT have AS.

Designed by experts. Inspired by you.
