

130G HARD-MOUNT WASHER
 LIGHT DRY EXTRACTION

OUR BEST VALUE WASHER.
 BETTER THAN EVER.

With a dual language display and the ability to store up to 26 wash programs, Compass Pro gives your customers an intuitive laundromat experience. Loaded with energy and water-saving technology, this 130G washer can help you build more profit in less time.

INNOVATIVE TECHNOLOGY

Increased Extraction Power

130 G FORCE SPIN

We've upgraded our entry-level washer to 130G spin. That means more water is extracted during the spin cycle. Cleaner clothes. Shorter dry times. Happier customers.

No More Dead Water

ULTRA FLAT DRAIN VALVE

Other washers waste up to 1 1/2 gallons of water every wash. Our ultra flat drain valve helps us save 97% in dead water vs our competitors.

America's Easiest Control Panel

COMPASS PRO

Offer a better customer experience and more wash options than any other laundromat in town. With 3 languages and 26 wash options, Compass Pro is a revenue generator that keeps customers coming back week-after-week.
